## Community Wildlife Conservation Award

The Wildlife Preservation Society of Australia Community Wildlife Conservation Award is an annual award to a community conservation group that is making a major contribution to wildlife preservation in Australia.

Our Society is very conscious that we need to join together with other conservation groups to save and protect all native Australian wildlife populations in all its many and varied forms across Australia.

The Wildlife Preservation Society wants to recognise and help these conservation groups continue with their good work on behalf of the whole community. Our Society knows that many organisations and thousands of volunteers are already working tirelessly to save our threatened species, as well as the humble and more common Australian species, and the precious wildlife habitat in which they live.

### The Award

Our Society will present a crystal trophy and a cash award of \$2,500 to the winning conservation group that is helping to save our precious Australian wildlife.
