

Wildlife Preservation Society of Australia Community Wildlife Conservation Award

The Wildlife Preservation Society of Australia Community Wildlife Conservation Award will be awarded to a community conservation group that is making a major contribution to wildlife preservation in Australia.

Our Society knows that many organisations and thousands of volunteers are already working tirelessly to save our threatened species as well as the humble and more common Australian species and the precious wildlife habitat in which they live. We are all aware of the wonderful work being carried out by volunteers across the country in saving our sick and injured wildlife. They spend many hours and days caring for a single animal that has been injured by a car, savaged by a feral animal or hurt in bush fires. We want to recognise and help these conservation groups continue with their good work on behalf of the whole community. Our Society will present a plaque and a cash award of \$2,500 to the winning conservation group that is helping to save our precious Australian wildlife.

Persons may nominate their own organisation or they may choose to nominate a third party who they believe should receive recognition. All nominations must be supported by a referee (see below).
